

# How to find us in Warsaw

**By car from Okęcie Warsaw Airport / Central Railway Station :**

- From the airport car park, turn left onto the main road “Zwirki i Wigury”. Continue along this road, following the signs for “Centrum” (city centre). Carry on past a number of parks on the right until you reach a major intersection with traffic lights. The road intersecting “Zwirki i Wigury” here is “Wawelska”. Drive straight on, across “Wawelska”.
- Continue in the right-hand lane until you come to a roundabout (Rondo Zawiszy) with a major set of traffic lights and tram lines. To the left is the Sobieski Hotel. Turn right onto “Aleje Jerozolimskie”.
- Once on “Aleje Jerozolimskie”, continue straight on. On the right you will pass the Marriott Hotel, on the left Warszawa Centralna (Central Railway Station), The Palace of Culture and Science (a huge Stalinesque construction and Warsaw’s tallest building) and then a number of shops and other buildings. You will eventually reach a roundabout with a large palm tree in the middle. At that roundabout turn right into “Nowy Swiat”.
- Having turned right you will see a cream-coloured church with a green roof ahead to the right. This is Kościół św. Aleksandra (St. Alexander’s Church), on “Plac Trzech Krzyży” (Trzech Krzyży Square). Keep to the right of the church. Just past the church, at the next set of traffic lights, turn left. Straight ahead, you will see a light green and grey building – the Sheraton Hotel. The entrance to the Redevco office is to the left. Use the intercom to announce your arrival.

**By car from all other directions:**

- Follow the signs for “Centrum” (city centre). Arriving in the city centre, you will see a number of landmarks: the Marriott Hotel, The Palace of Culture and Science, and the Central Railway Station, all located along “Aleje Jerozolimskie”, one of Warsaw’s main streets. Follow the directions given above from “Aleje Jerozolimskie” to Redevco’s office.
