

SUSTAINABILITY MANAGER

(Amsterdam, Fulltime/parttime)

Key responsibilities:

- Overall responsible for execution of the sustainability strategy and delivery of the sustainability KPIs
- Collaborate with colleagues throughout the platform to execute agreed actions
- Maintain appropriate and ongoing project control structure by frequent and active monitoring against pre-agreed KPI's with project owners throughout the platform as well as wider sustainability team
- Engage with Fund Directors to set high-level sustainability ambitions per fund and assist with discussions with investor clients
- Engage with Head of Asset Management & Development to help translate fund-level ambitions to asset-level requirements
- Preparation of regular reporting updates, ESG-related presentations etc.
- Frequent reporting on project progress, prioritization of decision making and identification (and resolution) of obstacles to success
- Opportunity for involvement in range of new projects as Redevco expands its ESG activities

Key performance indicators:

- Delivery of sustainability strategy and delivery of the sustainability KPIs
- Progress against pre-agreed measures for success (e.g. content quality, timelines, cost, on-track/off-track)
- Contribution to positive and fluent cooperation with other departments within Redevco
- Contribution to Redevco's annual Responsible Investment Report
- Effective communication with the local Portfolio teams

Who we are looking for:

- 7-10 years working experience in a similar job
- Result oriented; getting projects done
- Perseverance and proactivity
- "Green heart"
- Bridge builder
- Strong communicator; able to 'sell' a story
- Creative, looking to try new things to raise the bar
- Team player
- Practical and pragmatic
- Fluency in Dutch and English

Working relationships:

- Head of Sustainability

- Sustainable Development Manager
- Sustainability Analyst
- Head of Innovation
- Fund Directors
- Head of Asset Management & Development
- Asset Managers
- Corporate Communications
- Corporate Services (Group Control, IT, HR, GRC etc.)

If you are interested in this position, we look forward to receiving your application.
