

PRESS RELEASE

Redevco Appoints New Portfolio Director for the UK

Redevco, one of Europe's largest privately-owned real estate managers, has appointed Deborah Green as UK Portfolio Director. She will report to Chris Fleetwood, Deputy Chief Operating Officer Real Estate, and will run the London-based UK portfolio team which manages little over £800 million of real estate.

Deborah joins from Oxford Properties where as Director (Office, Retail & Life Sciences), she led the asset management of the UK office and retail portfolio.

Chris Fleetwood, Deputy COO Real Estate: "Deborah is a highly regarded property professional with deep experience across multiple asset classes and I am delighted that she has joined us at such an exciting time for Redevco and our UK business. She has a strong track record in value creation and is skilled at building resilient portfolios for investor clients."

Deborah Green said: "I am excited to start my new role at Redevco and look forward to working with the excellent team to continue to expand and diversify the portfolio."

With over 20 years' experience, Deborah was an Asset Manager with British Land between 2013 and 2017 looking after assets such as Meadowhall, and with Hammerson, where she worked in a similar role from 2008 to 2013.

About Redevco

Redevco, part of COFRA Holding AG, one of Europe's largest privately-owned real estate managers, aims to create value and be a force for good. On behalf of our clients Redevco invests in properties with a view to developing future-proof and vibrant places in dynamic urban locations where people want to live, work and play. Our specialist investment strategies focus on best-in-class high street retail & mixed-use assets, investing in retail warehouse parks & distribution and growing our presence in the residential & living space. Expert real estate teams in eight locations across Europe ensure that the portfolios we manage optimally reflect the needs of our clients. Quality and sustainability are key in our often-long-term investments. Total AuM as per January 1st, 2024, is around €9 billion.
