PRESS RELEASE

Redevco strengthens pan-European retailer engagement with new strategic role and Belgian leadership appointment

- Redevco appoints Filip de Bois as European Key Account Manager, strengthening engagement with key retail and hospitality occupiers across Europe.
- New role will enhance collaboration across markets, helping Redevco support occupiers as they expand and evolve their businesses.
- Benoît van Haare Heijmeijer is appointed Head of Asset & Transaction Management Belgium, ensuring continuity of leadership and local market expertise.

Amsterdam, 27 August 2026 – Redevco, one of Europe's largest privately owned real estate managers, today announces the appointment of Filip de Bois to the role of European Key Account Manager, and the promotion of Benoît van Haare Heijmeijer to Head of Asset & Transaction Management Belgium, reflecting the company's continued focus on strategic retailer relationships across Europe. Both will start in their new roles as of 1 September 2026 and continue to be part of Redevco's integrated Asset & Transaction management arm responsible for the execution of all mandates.

Séverine Maumy, Head of Asset & Transaction Management at Redevco, said:

"These appointments demonstrate both the depth of expertise within Redevco and the evolution of our platform. As retailers increasingly operate across borders, it is important that we can engage with them in a coordinated way while continuing to maintain strong local market expertise. Filip's new role strengthens our pan-European retailer engagement, while Benoît's appointment ensures continuity and strong leadership for our business in Belgium."

Filip de Bois will lead Redevco's engagement with key retail and hospitality partners operating across multiple European markets. Working closely with local Asset & Transaction Management teams, he will help coordinate strategic tenant relationships, strengthen collaboration and alignment across countries, and identify opportunities to support occupiers' growth ambitions.

Filip brings almost 40 years of experience in commercial asset and development management and was previously Head of Asset & Transaction Management and Head of

Country Belgium. His deep understanding of both occupier needs and asset performance will support Redevco's increasingly integrated European approach.

Filip de Bois, European Key Account Manager at Redevco, said:

"The most successful retailer relationships today are built on a deep understanding of how businesses are evolving across different markets. This role creates an opportunity to bring our local knowledge together more effectively, share insights across countries and support our tenants as they continue to adapt and grow. I'm excited to help drive that collaboration across our platform."

As part of this transition, Benoît van Haare Heijmeijer will take over responsibility for Asset & Transaction Management activities in Belgium from 1 September 2026. He will relocate from Paris to Brussels, where he most recently served as Senior Transaction Manager France and Belgium. Benoît will also become Head of Country Belgium from 1 January 2027, succeeding Filip.

Since joining Redevco in 2017, Benoît has held a number of positions across the company's development and transaction teams in Belgium, Luxembourg and France. His experience spans acquisitions, divestments and development projects across several European markets, bringing a strong combination of local market knowledge and cross-border expertise to the role.

Benoît van Haare Heijmeijer, Head of Asset & Transaction Management Belgium at Redevco, added:

"I am delighted to take on this leadership role. Having worked across Belgium, Luxembourg and France, I've seen first-hand how local market knowledge and close relationships create opportunities to unlock value. I look forward to bringing that experience together to support our teams, our clients, and our long-term ambitions in Belgium. It is also a privilege to build on the strong foundations that Filip has established over many years."

END

About Redevco

Redevco is one of Europe's leading privately-owned real estate managers, overseeing a portfolio valued at approximately €10.5 billion as of July 1, 2026. The company is committed to building value for investors and enriching communities through transformative real estate. It offers specialist investment strategies focused on repurposing best-in-class high street retail into mixed-use assets, investing in retail parks and logistics, and a growing presence in the living & leisure space. Redevco Capital Partners focuses on special situations opportunities whilst Redevco's real estate debt arm provides transitional lending solutions. Expert real estate teams in seven locations across Europe ensure that the portfolios Redevco manages optimally reflect the needs of our clients.
