- **The Pompey Centre reaches 98% occupancy as retailer demand gains momentum**

12 November 2026 - Redevco, one of Europe's largest privately owned real estate managers with around €10.5 billion of assets under management, has let 10,000 sq ft of prime retail space at industry-leading retail park, The Pompey Centre. The iconic restaurant chain, Nando's, and the UK's leading outdoor living specialist, White Stores, bring the retail park's occupancy up to 98 per cent.

The signing of these two big names is a strong endorsement of The Pompey Centre and highlights the success of Redevco's wider retail park portfolio. Existing occupier Easy Bathrooms has recently completed the refit of its store, further demonstrating retailer confidence.

Redevco's acquisition of its £518 million UK retail park portfolio in 2024 was a major milestone in building one of the largest retail park asset management platforms in Europe and fulfilling retailer appetites in these well-located convenience-led destinations. Redevco's impressive retail park portfolio now sits at a value of around €5.5 billion with around 190 assets under their management across the UK, Belgium, France, Germany, Spain, and Portugal.

Across Redevco's UK portfolio, the level of retailer demand is high, with multiple well-known brands signing 10-year leases. Euro Retail Park in Ipswich welcomed Oak Furniture Land to a 10,000 sq ft unit, while Mountain Warehouse signed for a 9,342 sq ft unit at Gapton Hall in Great Yarmouth. Elsewhere, Wren Kitchens' commitment to a 10,001 sq ft unit has bolstered Gravesend's Imperial Retail Park line-up.

Josh Tyler, Senior Asset Manager at Redevco, commented:

"We are confident that these new arrivals will further strengthen the consumer appeal of The Pompey Centre, which is now 98 per cent let.

“The run of lettings shared today is indicative of a wider positive picture, which is being mirrored across our European holdings. With offers now received from prospective tenants on every remaining vacant shop unit across our UK retail parks, there is clear confidence in the sector and in our well positioned and managed portfolio.”

CSP Retail and Green Lane Real Estate are the letting agents across Redevco’s UK retail park portfolio.
